

Year 1 Autumn 1 Curriculum Map

English

Children will be taught reading and writing using the Read, Write Inc. phonics programme. This daily input will ensure children make rapid progress in their phonics knowledge.

We will be reading lots of dinosaur themed texts this half term, such as Never Follow a Dinosaur.

RE

The focus this half term is Christianity, children will learn about God, bible stories and will learn about love and forgiveness.

Music

Children will learn about musical notation.

Maths

This half term the children will be revisiting place value and working with numbers to 10.

This will include comparing, ordering, adding and subtracting.

History

This half term the children will be learning about who Mary Anning was and why she is a significant historical figure.

PSHE

Being Me in my World

Children will talk about feeling special and safe in their first half term in Year 1. They will think about what makes them proud and also about consequences of actions.

Computing

The children will learn to use our school laptops and learn about online safety.

PE

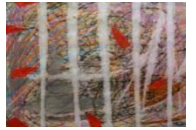

Children will focus on fundamental skills with PE Coach Lewis.

Our PE day is Tuesday.

Art

Focus – Drawing

In this unit, children will be using music as a stimulus for mark making. They will also be studying the artwork of Bridget Riley and Zaria Forman.

Forest School

Our forest school dates for this half term are:

Wednesday 27th September

Wednesday 11th October

Science

Seasons - The children will observe different weather and seasonal changes.

Animals, including Humans – The children will be identifying and classifying animals after learning about the characteristics of different animal groups.
