

We've had a number of special visitors this half term. Millie's Trust came in to teach us emergency first aid. We took part in a web meeting with 4 time Olympic and 8 time World Champion sprinter, Michael Johnson and Reverend Chris who came in to speak to us about why being a Methodist is special.

## 5 Bell Autumn 2, 2021

We **ROCKED** our Maths work this half term with an amazing celebration to launch the National TT Rockstars competition with a Dress As A Rockstar Day!

We've also been learning how to calculate the perimeter and area of rectangles, and then get really good at multiplying 2 digit numbers.

In our Forest school sessions we have been building our teamwork skills... and dens, developing our artistic talents and messing about in the mud!

In PE we have had Grace, a specialist Dance teacher, working with us and she has been really impressed with how well we have been performing, even teaching us some moves that normally only much older children are taught.
