

Year 3 Spring 2 Curriculum map

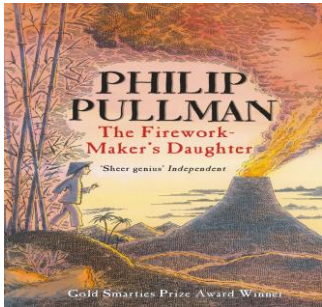

English

The Firework Maker's Daughter

Every firework maker has to make a terrifying, perilous journey and now....it's Lila's turn!

Genres

Narrative

RE

Christianity

Easter – Salvation

We will be asking the Key Question – Is forgiveness always possible for Christians?

Maths

In maths we will be looking at money, statistics and measurement involving length.

So there will be lots of coins, money problems, data and measuring going on.

Geography

Children will compare and contrast Mexico and the UK, and then find out more about both the physical and human geography of the country, including the climate. They will immerse themselves in the culture of Mexico, and then advise tourists on how best to experience the country.

PSHE

Healthy Me

Identifying people, places and things I need to keep myself safe from. I can express how being anxious or scared feels. I understand that some medicines and household substances can be harmful if not used correctly.

Science

This half term we will be looking at States of Matter and asking the questions... What are the 3 States of Matter? What is freezing and melting? What causes evaporation and condensation?

Music Our focus for Music this half term comes from BBC Ten Pieces orchestral music. We will be listening to and appraising an orchestral piece we will also compose and perform a piece in this style.

Design and Technology

Mechanisms

In DT we will be designing and making our own slingshot cars! We will be thinking about what makes a good design and which ones will provide the least air resistance.

Computing E Mails

This half term we will be looking at communicating via Emails. We will learn how to compose emails, add an attachment and discuss using email

French

Bon Appetit Monsieur Lapin!

Children will be working on the French story and then also learning about Easter in France - Joyeuses Pâques!
