Our Vision

Wesley Methodist Primary School aspires to be a Christian family where all stakeholders work towards ensuring that our children ***“shine like stars as children of God”***

Phillipians 2:15.

We aim to promote the value of self, others and the environment.

Safeguarding Statement

At Wesley Methodist Primary School we recognise our moral and statutory responsibility to safeguard and promote the welfare of all children.

We work to provide a safe and welcoming environment where children are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

The procedures contained in the Safeguarding Policy apply to all staff, volunteers and governors

Intent

At Wesley Methodist Primary School, we recognise our school context and have designed our curriculum with the intent that pupils build the secure foundations required to become successful and aspirational adults who seek opportunities, take responsibilities as moral citizens and gain life experiences that extend their horizons. We want children to leave school as ‘well rounded’ individuals.

The school vision ***‘Shine like stars as children of God’*** is interwoven within our curriculum intent and design. This is supported through the incorporation of 3 key drivers throughout our curriculum that reflect our school context and address typical gaps in knowledge and skills that underpin the cultural capital they need to be successful citizens. These 3 key drivers are;

- **Culture** which helps children develop a wider and deeper knowledge of the locality, society and the world around them, promoting a sense of awe and wonder.
- **Knowledge of the world** which helps children to explore, investigate and make sense of their physical world and community through opportunities to explore, observe and find out about people, places, technology, and the environment.

- **Diversity** which helps children recognise differences are positive and that individual characteristics make people unique and everyone should love and be loved as a child of God.

We aim to provide a coherent, structured, academic curriculum, which is rich in knowledge and skills driven, that will lead to sustained mastery for all with unlimited aspiration. Underpinned by our 3 key drivers.

At Wesley Methodist Primary School, we aim to help children to develop an inner discipline and will encourage them to not just 'follow the crowd' – they will make up their own minds and live their lives without limits. They will grow through making choices and being proud of the choices that they have made or reversed. They will want to be honest with themselves and with others. The Spiritual, Moral, Social and Cultural education of pupils at Wesley Methodist Primary School is cross-curricular and not limited to specific SMSC lessons. It is underpinned by the vision of the school to shine like stars as children of God.

Aims

- To provide a safe, caring and happy environment where each child is valued as an individual and can develop towards his/her full potential.
- To provide for each child a wide, balanced curriculum of high quality, appropriate to the interests and aspirations of the individual encouraging the development of the whole person and fulfilling the requirements of the National Curriculum and the school's vision.
- To develop the potential of each child within his/her capabilities, recognising different needs and abilities and providing challenges and appropriate teaching at each stage of development, while aspiring for a life that is without limits.
