

What a week we have had - it has been an incredibly busy and amazing week at Wesley filled with a range of fantastic opportunities over the week. The children have been wonderful, trying their best in all they do and certainly 'doing all they can'. We are very proud of the children at Wesley and the offer that they get, from their learning in lessons to the extra opportunities that take place.

#### Worship

During collective worships this week we have been focusing on 'shining like a star with joy'. During our collective worship we looked at what joy means in our school – celebrating our achievements both big and small and those of others too. The children were able to give a range of reasons for why they may feel joy and then we looked at a video on how joy can be shared. We were then able to spend time showcasing how we will show joy through school this week and that was certainly displayed in the star awards at celebration assembly.

#### PTA Easter Bingo

A letter has come out with details on how to get tickets for our upcoming Easter Bingo on Thursday 21<sup>st</sup> March 6-8pm. This event is always sold out – so please ensure you get tickets as soon as they are available. Tickets will be on sale before and after school next week on **Thursday 14<sup>th</sup> and Friday 15<sup>th</sup> March**. £3 for an adult and £2 for a child. It is a wonderful community event and lots of chocolate up for grabs plus a raffle!

#### Kurling Superstars!

This week, a team of our girls from Year 4 and 5 went to the Bury Kurling Championships at Bury Grammar School. They played against 14 other schools in a really tough competition. Throughout the competition the girls showcased wonderful teamwork, played with spirit and integrity. They made us incredibly proud and not only did they represent Wesley in the best possible way, they even went and won the whole tournament! An amazing success by the girls, and on a week where we are focusing on 'joy' and celebrating our achievements it could not be more perfect. Well done, girls.

### Freddy Fit – Playleader training

On Tuesday this week, our Year 5 children were put through their paces on playleader training with Freddy Fit! It was an incredible day and our children excelled in their training and will make wonderful playleaders. There is now an application process they will go through to be selected as playleaders and those who get through will be supported by Year 6 pupils over the summer term and will then become our new school playleaders from September 2024. We also have Freddy Fit joining us again on Tuesday 12<sup>th</sup> March for our whole school Wellbeing day

where every child will be involved in a session!

### Biggest Ever Girls’ Football Session

This week we took part in England Footballs sporting initiative to get all of our girls in school playing football. This was the biggest ever girls football session across the UK and every girl at Wesley from Reception to Year 6 took part in a special football activity with Coach Lewis. Whilst the girls did this the boys had another activity within the classroom, but it was amazing to have every single girl involved – we then also celebrated International Woman’s Day on the same day. A wonderful day for all our of our incredible girls here at Wesley!

### A real Viking visited Year 5 and 6

This week we had Olaf the Viking visit us to talk to the children all about life as a Viking during this time and their impact on Great Britain. The children also learnt more about this time period with the inclusion of the Anglo-Saxons. During the visit, children were able to handle historical artefacts, learn about Viking times and also be involved in Viking battle with shield formations

and spear throwing activities. It was an amazing experience for our Year 5 and 6 children following their recent topic of the Vikings and the work completed on the text ‘Viking Boy’.

### Attendance

At Wesley we see Attendance as crucially important to the success and progress our children make. The more time our children are in school the better progress they will ultimately make. We celebrate attendance on a weekly basis and each class has the opportunity to earn money for their end of year treat. Attending school more gives all children the best possible chance to keep up with their work, achieve better results and the possibility of developing further friendship and social skills.

### World Book Day at Wesley

This Friday we celebrated World Book Day at Wesley and saw amazing costumes throughout school. It was a wonderful celebration assembly with every class doing a catwalk to show off the incredible outfits of both children and staff! It was a fantastic turnout of costumes and wonderful to see reading celebrated over the day. Children took part in a range of book related activities over the rest of the day and celebrated the importance of reading. We had competitions in class for best day and even a best dressed staff award. Every child will also have received book vouchers. We have our book fair joining us very soon and we will be offering parents the opportunity to come and share a book with your child(ren) from 3pm on various dates that will come in a future letter. There will be a variety of photos uploaded to twitter very soon from World Book Day so please do check @wesley\_primary out to see more!

### Red Nose Day

You will have received a separate letter about Red Nose Day which we will be celebrating on Friday 15<sup>th</sup> March 2024. We are asking for everybody to donate £1 to this incredible cause that supports projects across the UK and the world to improve the lives of our young people. We ask that every child wears RED and they can do 'something funny for money' by having a crazy hairstyle or outfit. We will also be running a 'Great Wesley Bake Off' where we invite you to create an amazing cake at home and bring it into school on the Friday to be judged with prizes for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place. We can't wait to see your outfits and cake creations!

This week Year 4 Lowry visited Abbeyfield care home to join in with their ABBA fundraising event. The children took some inspired art work and joined in singing some songs!
