

## Wesley Methodist Primary School

### Weekly Newsletter: WC 10<sup>th</sup> February 2025

What a fantastic half term we have had at Wesley, there has been so much taking place and it feels like we have blinked and already at the end of this half term. The children have been wonderful, we are seeing incredible levels of learning behaviour throughout school and focus on the key skills and vocabulary is having a huge impact on our children. I am incredibly proud of the children for all of the work they are doing to reach their potential, and so grateful to all of the staff at Wesley for all they do to give the children the very best opportunities.

#### Worship

Over the weeks we have had some wonderful worships with the children and had a clear focus on how we can fulfil our vision – Shine like stars as children of God. We have gone through the fruits of the Holy Spirit with the children and looked at how we can shine with love, joy, peace, patience, kindness and by doing good. The children reflect on these consistently and look at how they can help themselves and others. It has had a wonderful impact on the children and we are very impressed with the children's knowledge and responses when talking about how we can make this school a happy and safe place for all.

## CONSULTATION

#### Nursery consultation

We have recently sent out a consultation regarding a nursery at Wesley Methodist Primary School. We have had a wonderful response from this with over 110 responses so far. This will close on 6<sup>th</sup> March. If you have not already and would like to respond, please do use the link:

These responses so far have been incredibly positive and do show the very evident need for Wesley to have a nursery and the positive impact this will have on our local community.

#### Friendship Disco from the PTA

This week our incredible PTA hosted our annual 'Friendship Disco'. This was a wonderful event after school with 88% of our school attending which is absolutely amazing! The PTA have worked incredibly hard to put this on for our children and ensure there is food, drink, tuck, pocket money stalls and also a brilliant DJ. All of the children had a wonderful time, and the staff too! We really appreciate your support in these events and know it also raises key funds for school to continue adding to the opportunities for our children.

### Attendance

At Wesley we see Attendance as crucially important to the success and progress our children make. The more time our children are in school the better progress they will ultimately make. We celebrate attendance on a weekly basis and each class has the opportunity to earn money for their end of year treat. Attending school more gives all children the best possible chance to keep up with their work, achieve better results and the possibility of developing further friendship and social skills.

**Over this half term we have had 133 children achieve 100%, 145 children achieve 98% and currently 40 children have 100% attendance since September 2024.**

**Amazing work from you all Wesley!**
