

What a fantastic half term it has been at Wesley Methodist! The children have truly shone, demonstrating outstanding behaviour and a positive attitude to learning every single day. Their enthusiasm and commitment have been a joy to witness, and we're incredibly proud to share that an impressive 96.7% of pupils have earned their "I'm Shining" award for this half term. This achievement reflects not only their hard work and dedication but also the supportive and caring community we continue to build together.

Well done to all our shining stars, we are very proud of you!

**Worship**

This week we have been aiming to shine like a star as a child of God in all that we do. The children have done this incredibly well, especially with all of the different events that have taken place this week. To end the half term, we proudly held our prestigious *Ready, Respectful, Safe* assembly, a special event where we celebrate children who consistently follow our school rules and set a positive example for others. This assembly is all about recognising those pupils who, day in and day out, choose to do the right thing and make thoughtful, responsible choices. We were delighted to have 33 children nominated for these awards, each receiving a well-deserved Headteacher's Award. A huge congratulations to our overall winners: Narla for *Ready*,

Henry for *Respectful* and Zion for *Safe* — outstanding role models for our school community!

**Rock Kidz visit Wesley!**

This week, we had the amazing Rock Kidz team visit Wesley Methodist for an unforgettable wellbeing day, and what a fantastic experience it was for our children! The day was filled with energy, music, and meaningful messages, with a powerful focus on *kindness*—exploring how we can show it in our everyday interactions. Through fun, high-energy sessions, the children learned how small acts of kindness can make a big difference, not just in school but in the wider world. It was an inspiring and uplifting day that left everyone smiling and reminded us all of the importance of treating others with care and respect.

### Wesley Warriors

We're excited to announce that tickets for *Wesley Warriors* will be on sale during the first week back after half term, available both before and after school. This much-loved event is part of our ongoing fundraising efforts to support two children in Uganda, whom we sponsor through their education. Now in the fourth year of our five-year pledge, this initiative continues to make a real difference in their lives. This year's event, taking place on *Saturday 21st June*, promises to be better than ever, featuring an exciting obstacle course combined with a vibrant colour run! It's a fantastic opportunity for our school community to come together for fun, fitness, and a truly meaningful cause. We hope you will be able to join us and support us in raising this money!

### The NCA at Wesley

We were delighted to welcome the National Cycling Academy (NCA) to Wesley Methodist this week to carry out a free bike service for all our children—and what a fantastic success it was! We're incredibly proud to have been the school in Bury that brought in the most bikes for this health check, helping ensure that many more of our children can safely enjoy cycling throughout the summer. As a result of this brilliant participation, we'll be proudly receiving both a certificate and badge recognising us as an *Active School*. This achievement also ties in perfectly with

our ongoing commitment to the *WOW badge* scheme, celebrating those who actively travel to school each month. Well done, Wesley!

### Well done Year 6!

We are incredibly proud of our Year 6 children for the dedication and resilience they've shown throughout their SATs. They approached the week with maturity, determination, and a positive attitude, and we couldn't

be prouder of their efforts. While we absolutely want each of them to do their very best, we also recognise that SATs only measure a small part of who they are. These tests don't capture their creativity, kindness, teamwork, or the many other talents that make them such a special part of our school. To us, they are already a success, and we celebrate them for everything they bring to Wesley Methodist each and every day.
