Year 3 Garvey staffing update

Dear Parents and Carers of Year 3 Garvey Class,

I am writing to update you regarding the current teaching arrangements for Year 3 Garvey class. As you will be aware, Mrs Clowes has been absent since before half term and is currently unwell.

Unfortunately, she is still recovering and will remain off for the time being. We were hopeful that Mrs Clowes would have been well enough to return to school on Monday 23rd June, however she is not. Therefore, Miss Burgess, who has been with the class recently, will continue in this role until Mrs Clowes is able to return. Miss Burgess has been wonderful with the children and ensured high quality teaching during this period of absence from Mrs Clowes.

An exciting development that we do have is that Miss Buckley is joining us as the new class Teaching Assistant for Year 3 Garvey following Mrs Murray's retirement. Miss Buckley brings with her a wealth of experience and a genuine passion for supporting children's learning. Her calm, caring approach and deep understanding of how to help pupils thrive make her an incredible asset to our team. With her strong skills and commitment to every child's success, we are confident she will make a positive and lasting impact across the school community.

We understand that changes in staffing can sometimes be unsettling, and we want to reassure you that we are doing everything we can to provide a stable and supportive learning environment for your child.

On Monday, Year 3 Garvey will be going on their school trip to the Manchester Museum of Science and Industry. Due to the staffing updates, I will be attending the trip with the children to ensure they have a wonderful and safe time on the school trip. The staffing for the trip are as follows: Mr Jones, Miss Burgess, Miss Buckley and Miss Ali (who has been working with the class as a supply teaching assistant).

If you have any questions, please do not hesitate to get in touch.

Thank you for your continued understanding and support.

Mr R Jones
Headteacher
