

Primary Schools' Sports Funding

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6. Schools with 17 or more eligible pupils receive £8,000 and an additional payment of £5 per pupil.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. We use the premium to Develop and enhance the PE and sport activities that we already offer to pupils

We are able to use the funding to:

- hire qualified sports coaches to work alongside teachers during PE lessons
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active children by running or extending school sports clubs.
- run sport competitions
- increase pupils' participation in after school clubs
- run sports activities with other schools

Wesley Methodist P.E Delivery

- **Spending**
- £6980 spent on coaching and training for staff.

- Received £5367 - 1st payment
- payment due of £3800 - April 17
- Total funding £9167

Specialist or peripatetic teachers

Specialist coaches are used by the school from Bury FC the Trust through the year they support our P.E. Delivery and cover 50% of the P.E delivery in the school working with every class for 45 minutes per week.

Overarching P.E Aims

Across the year the school children have worked on numerous different sports and activities focusing around

- developing competence to excel in a broad range of physical activities
- ensuring children are physically active for sustained periods of time
- engaging children in fun activities in the hope to increase the number who wish to join in competitive sports and activities outside of school. During our P.E Sessions children who show enjoyment are directed towards local clubs and groups to allow them to continue their enjoyment.

- Professional learning for its teachers

Professional learning and support for our teachers is available for our teachers from our specialist coach. Our teachers have the option to work with our professional coach on any area of P.E. Delivery they feel they could improve upon.

- Extra-curricular clubs

Year 1 and 2 Football after school club in Half Term 1

Cricket Afterschool Club in Half term 5

- Equipment -

- P.E equipment for specialist sessions brought by specialist coach. Equipment loaned from our provider to improve delivery in non Bury FC sessions, Example 6 badminton rackets and 3 badminton nets to ensure every child had a racket and a nets to

improve sessions.

- Air track provided for 12 dates to aid facilitation of good to be green reward days.

The Half Termly P.E. Delivery Breakdown
